### Welcome

Dear parents,

It is with great excitement that we approach our 19th summer at Camp Gan Israel of Valencia. We look forward to providing you and your family with an enriching Jewish summer experience full of fun times, new friends and great memories. Our staff is eager to get to know your child and give them a summer experience of a lifetime!

What makes our program unique is our focus on campers as individuals and our commitment to providing each one of them with a nurturing experience. We design our program to provide for your child's social, emotional and cultural wellbeing. With themes relating to their Jewish identity and by infusing the daily schedule with activities, arts and crafts, songs and stories their experience becomes interactive and meaningful. It's a place where Judaism comes alive in a fun way.

Our staff here at Camp Gan Israel is dedicated to giving each child an unforgettable experience. Your child will grow and form special relationships with friends and role models to cherish for a lifetime. Every decision that is made in the planning and operation of camp is always made with a focus on safety.

Please review this handbook to familiarize yourself with camp procedures and policies. If you have any questions, suggestions or concerns please feel free to contact us.

Sincerely,

Frumi

Should a camper forget their camp T-shirt or would like additional ones, they will be available at the camp office for purchase for \$15.00.

- **Sunscreen**

Please apply sunscreen each morning before camp. If you would like your child to re-apply lotion during the day, please send them with spray sunscreen labeled with their name. We will also ensure that there are shady, sun-protected areas during outside activities. Our facility will be air conditioned.

- **Cap / Hat**

To protect campers from the sun.

- **Shoes**

We highly recommend that campers come with closed toe shoes. Sandals and flip-flops are not recommended as it makes sports and activities difficult. Closed toe shoes will also help campers avoid splinters in our woodchip covered yard.

### What Not to Bring to Camp

Cell phones and electronic devices are *not* permitted to be used during camp hours. We ask you to please not to send your child to camp with a cell phone. Cell phones tend to detract from group activities and the camp spirit. If your child *needs* access to a phone or other device during camp hours, please call us *before* camp to discuss.
